SENATE BILL

No. 850

Introduced by Senators Maldonado and Correa
(Coauthor: Assembly Member Adams)

February 23, 2007

An act to *amend Section 102950 of, and to add Article 4.5* (commencing with Section 103040) to Chapter 7 of Part 1 of Division 102 of the Health and Safety Code, relating to vital records.

LEGISLATIVE COUNSEL'S DIGEST

SB 850, as amended, Maldonado. Vital statistics: certificate of still birth.

Existing law requires the State Registrar of Vital Statistics, to administer the registration of births, deaths, fetal deaths, and marriages. Existing law requires that each fetal death in which the fetus has advanced to or beyond the 20th week of uterogestation to be registered with the local registrar of births and deaths of the district in which the fetal death was officially pronounced within 8 calendar days following the event and prior to any disposition of the fetus.

This bill would *specify that those provisions shall not apply to the termination of a pregnancy performed in compliance with a prescribed law governing reproductive privacy. The bill would further enact the Missing Angels Act, which would require the local registrar of births and deaths of the county in which a fetal death, in which the fetus has advanced to or beyond the 24th 20th week of uterogestation is registered, to issue, upon request, to the father or mother, a certificate of still birth Certificate of Still Birth* on a form approved by the State Registrar of Vital Statistics ~~for~~. The bill would define still birth for this purpose to

be delivery of a fetus where there was a naturally occurring intrauterine fetal death that occurred after a gestational age of not less than ~~24~~ 20 weeks. The bill would prescribe information to be contained in a ~~certificate of still birth~~ *Certificate of Still Birth*. The bill would also require the state registrar to determine the appropriate cost to be charged for the processing and printing of a ~~certificate of still birth~~ *Certificate of Still Birth*, and would authorize a local registrar of births and deaths to charge an appropriate fee for the processing and issuance of a certificate. By imposing a new requirement on local registrars of births and deaths, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
 State-mandated local program: yes.
